- 3. Attend an interview at Victoria University Secondary College (date and time to be advised).

Please retain pages 1 & 2 for your reference.

### Scholarship Details

Victoria University Secondary College is a school community that strives to provide a holistic education that develops the gifts of each student. We encourage our students to participate fully in the school's curriculum, co-curricular program and community activities.

Supporting high-achieving students to achieve their personal best is the central purpose of the Deep Learning Program at our College. The program was implemented to provide opportunities for academically ready students to be challenged and learn at their level across a range of subjects, in preparation for VCE. The Deep Learning Scholarship Program recognises and acknowledges students who take responsibility for, and are proactive, in the development of their own education.

Scholarships are valued at \$500 and are redeemable against school expenses including devices, uniform and textbooks.

Applicants are not required to sit an entry exam.

#### Interview Information

We look forward to meeting you and your child at the School interview.

The College will contact you to arrange a suitable interview time.

Interview Location: Senior Campus

43 Ken Jordan Rd, Cairnlea

Interviews will be conducted by a staff member at Victoria University Secondary College. Upon request, you will receive a short tour of the College with ample time allocated to answer any questions you may have. Please allow one hour in total for the interview.

Applicants must be accompanied to the interview by a parent or guardian.

## Scholarship Application

To be completed by the student applicant and returned to Victoria University Secondary College by **Friday 10**<sup>th</sup> **November 2023**, together with documents requested on page 1.
