

UNIFORM POLICY

1. Overview

1.1 The Victoria University Secondary College Board has the authority to develop and implement a uniform policy for students as outlined in legislation relating to dress codes.

1.2 All dress codes must:

- Meet human rights and anti-discrimination requirements
- Include an exemption process
- Include health and safety considerations
- Meet requirements relating to uniform supply arrangements

1.3 The college also works with the State Schools' Relief to support students in need as well as supporting their fund raising activities.

1.4 A uniform dress code reinforces in students a pride in their own appearance, instils recognition of themselves as an integral part of the school community, and assists in developing pride in representing their school. This policy has been designed to implement and enforce the school uniform at the college.

1.5 The Victoria University Secondary College Board is responsible for developing and reviewing the college uniform policy in consultation with the school community to:

- Ensure the code reflects the values of the school community
- Ensure there is a balance between the rights of individual students and the best interests of the whole school community
- Decide if amendments or a full review of the dress code are required annually.

1.6 After consultation with the school community and the Student Leadership Team, the College Board developed a uniform policy that we believe provides choice for the students, allows for students to safely engage in the many varied school activities, and caters for the financial constraints of families.

1.7 This uniform policy is a written statement of college expectations regarding student appearance.

2. Aims

- To allow students to further develop a sense of pride in, and identification with our school.
- To provide durable clothing that is cost effective and practical for our school environment.
- To maintain and enhance the positive image of the school in the community.
- To enforce a consistent approach to the approval of new uniform items for staff and students.

3. Implementation

- Details of uniform items and places of purchase will be published in the student planners, in newsletters and other regular parent correspondence and on the college website.
- All proposals for new uniform items for staff and students must be approved by the College Board.
